Dear Sir

With my letter No. 8670 dated 11th March I am sending you a sum of Rs 8255-12-10 being a moiety of the Disinfection charges. To prevent the amount lapsing it was drawn on a Contingent bill on the 31st March last, and the charge must be supported by a voucher. My office should have made

the amount over to the Dunbar, or obtained a receipt for it, on that day, in order to comply strictly with regulations - This however was not done, but as the money was held by me on your behalf, I shall be obliged if you could let me have a formal receipt for the amount, bearing date the 31st March 1900 and specifying on what account exactly
